1. I give you me. I give you a NEW me. I give you a new ME that I am for I have come around upon that mountain "one more time", **looking up, not as in the past but looking up** in a "new way" not but one that solves all riddles, not; but all riddles will be are being "solved now" aren't they? I am solving everything that pernicious were and porcupine'd me as I walked through, the efforts of life, not; but where was I sleeping? I am not sleeping there now for I am "sleeping" a new place, not; I am FLYING working NEW places. Regimes not, but MANY NEW CITIES I go to and I create capitols many for the priesthood of the brotherhood, not; but the priesthood of believers who will "*be* receivers" not, but who *ARE* RECEIVERS, who *ARE* THE RECEIVERS of this love light and life that I am talking about that one are that I have spoken of for six years plus and now am coming to you in The Seventh year, of love, hate, sorrow; or what have I, what price have I paid? What have I "come through" to BE HERE now speaking like this like I do each day, every night, and COMING THROUGH now TO YOU in new ways I do and I will say MANY THINGS, abhorrent, not, but looking up MANY REJECTS who life's society rejects were and rejected the mores of the "society's compass", encompassed themselves about often with great sorrows that they could not "shake", but they knew not what "were magnetically drawn" to them in what they "repelled" and what they "equated" to, and from where whence now the NEW things come from and ORIGINATE from and going to now I go for everywhere all one and making all one is my quest or is it "presenting the gospel" not, or is it revealing me to me that I am one who love is who life is who rejected not them to be me, but they rejected themselves not knowing they were, could be, or "should have" done things "differently".

2. Or doing things differently many shall now, not be playing "the shell" game or the games "of chance" and gambling, with their minds, finances, or waves of another **subjecting themselves** to in parlors of ill repute's houses that house them, encasements charging them with, a great fool's head, not; but great applause often -- in jeering, not; but cheering and leading the losers to lead more in losing still more in their loser's apparati. Looking up new things now I am doing, for I am bringing MANY NEW TERMS and "term limits" not. For I fear being limited, not; but I fear nothing of man for I shall be new'd and nude not by your standards of dress but I will be wearing a new mind and I will have "clothes on" of regalia that a mind of one shall have been shed of old, not; but the "snakeskin" on me will not be slithering off my body, not; for it will have "slithered" the last time and it will not encase me enwrapping me in its mind again for

me to warp it not, but warp me by wrapping me around it placing itself on my forehead and skin being that you see and admire so whole-fully and woefully at times, regardless of your misrepresentation of fact or not, or thought of facting it or not, or replacing me with "makeup" not again, but making up new things I am not, but I am revealing NEW THINGS mighty and far away I go to and now I am there instantly instantaneously and at thought. My father's thought thinks differently than most, or all? Or has all thought "gone to pot" not, but what "pots" are not needed now?

3. There will be no POT SMOKING in my kingdom of awareness for ALL AWARE are of my light, my love, my SUBSTANCE, and abuse there will be none! For no one will abuse the privileges of privilege that I have to be one with The King of all The Kings who we are made whole in one now is before you revealing you, that you are the one he is, we is, we are, and are we ready yet to hold receive the reigns, operate with "the controls" not, but the Revelation of the REVELATORS that REVELATE the revelations of these things that now come forth in light, glory, and manifest destiny, making the revealers destinized, not; but destiny Charles not, but what charlataning aren't now and what is not now? The despotism of despots now rules -- ENDS! For there will be no despotic rulers in my kingdom and Pol Pot's not and Mao Tse-Tung's not, but who LEAD ME's will be meek and humble and walk strong in the might of one humility of GOD that knows all have given "his life" for all and lead all to have given "their lives", for other, not; but to have laid down their lives for this world so as to redeem it in love and make all the lovers of light or reveal it unto them so that they have the choice of revelation, the revelators being, the me now all will.

4. For all will see my joy in rainbow's charlatans outfits, not; but the "rainbow lords" will be finished and ceased and cease operation. In the heavenlies I will be and I will not stop relentlessly not, I will start, relentlessly not, but "small" not in your eyes, not; but your hearts will be made known aware of the things that I am doing and hath rent in two and twain are things that you have been doing, that settled aren't in heaven but have rent you in two, and TWAIN made you two, one not, but into two pieces of meat, that others have carved up your mind on their platters and snake'd you and stuffed you in their snake stuffing outfits and watered a lie, not; or have they watered you "on stilts" or what coming out of antennae on your heads, not; or are they that you've not seen or seeing now what are you wearing and what NEW CLOTHES are you do you have ON, and "electrifying audiences" not, but revealing the humility of "the lord" not, but the one who has laid down his life for all? Now rises I do, loving you all to be me, who I give you now in "package form" not always as you think of "packages", but what unpacking unpackaging I am where?

5. The rulers of evil who have "packaged" their "empires" will now be "sorry" not, they will not exist, neither will their empires of beragement barragement whereby they

barraged each other with love's labors love, not; but hate arrows of deceit and deception's lie bought into, to rule with iron'd iron hands and fists and feets of CLAY. That know no normal rules, not; but **all rules are abolished of those empires and those rulers** that ruled so clay-ly with their hands of men that man'd men's minds with the minds of the swollen leaders who thought they were Gods, but took evil and placed where God "was" their evil minds and placated the populace, not always, but ruling them with love, not; but hate enforced beyond repair, not; for I repair the evil done, not; I make new and I reveal the new and I you stand before you as me who I am revealing you to you that you are Christ, The Christ THAT I AM are you all? Yes you are in surrender to be me who I am for that is what you are at the core of "you" that is me that me I am is and I am one. Not separate "discrete little units" of flesh bagging its flesh and building its empires of thought again with fences of electrocution and elocution and elocutionary devices creating memories of notme again.

6. Ever be I will be established now in ways not imaginary not not. For I am coming in a new way to the populace, the popular, the down and out, the rejecters of me and those who rejected me being them, and **those** who have rejected my words, not; or do **they** know about them or have them in their heart already there, and am I revealing them being spoken that now **they** are truth unrevealed not. For I love you all and I give you new lives in me or new life in me that one life is?

7. I decrees have made thusly I decree these things THIS NIGHT in your hearing are made whole and declared carrying out throughout my kingdom is are now my beloved. My beloveds are here and hear me they do these things and they will know how I RULE in love and love CARRIES OUT -- the circumstances, not; but the situations adhering to the lives of other past mistake and rulers of iron hands with iron fists and, gloves on, not; but flesh eyes, and resistance of Satan, not; but Satan eyes and snake eyes and lives of snake –s infesting themselves with, on their foreheads lie relegated to nothing, not; but **shall be revealed all for WHAT THEY ARE and WHAT THEY HAVE DONE and what KEPT IN SECRET were and are now is, for ALL THAT shall be revealed and nothing shall be hidden any more ever again for I shall light the UNIVERSES of THOUGHT and the thought of others will be made laid low in nonexistence again and never more rising shall they ever again! DECREED.** And swollen not in your memories again, I will hydrate them, with memories not few, not; but only of the holy and you will "remember" things when you "wake up" that you NEVER KNEW, not; but you KNEW you were the holy one of Israel, that now perishes by the metes boundaries one's thoughts; or do they or are you repairing it, not; but are you rising something BRAND NEW? Yes and amen. I "see it" not or do you seeing it being made manifest in these very words that I have given you these six years and creating heavens -- you never knew, not; or are you seeing again for "the first time" or eternally now "backwards and forwards"? I am, love and timeless, and I make all things new.

8. Boring through the yonders club yachts sail, not; but boringless, not; but I have bored you not with these words or speakings have I? Have I brought you new things THIS NIGHT, this morning that so cataclysmic is in your hearing?

9. I love you all to do new things with me being me where I am, for sorrow not for "the other" and the rejecters who I sought -- in ways you will never know, not; but know that I came to all and I gave all "a chance" not, I gave all my lives, not; I gave all MY LIFE and placed WITHIN THEM all I had and all I was, is now revealed to you all. And the ways I do business, sucks the egg of sorrow, not; but new eggs I lay lie with, not; but I do new things with "hatchings" of me, not; but the "hatchet marks" of yesteryear and the, words of tomorrow, not; but all of that shall be changed and all of yesterday's hate-mongering and whore mongering with minds shall be changed, not; it shall be redeemed and never having been shall be now, for I change everything with hash hatchet's marks not, there will be no hash and there will be no hatchet marks in my lovely who forsaken aren't, for I will forsake none who marked me or didn't for I will redeem them you all who love me now, who won't sorrow not more than me, but placating sorrowsville not again or your want's machine or machining their wants or yours no longer ruling you in what they had or what you established or wanted to, know that all of this that and other is changed, for now I am revealing new things, speaking in new ways, and I bring you *many* new testimonies of the righteous in ways that you never knew what to do with, not; but what you have imagined, not; but **waking up** I do now you from things that you were, would have been in, not; but are you in now the waking still lies of fields that you have chosen not or who chose you, or have you chosen unbelatedly, not; but I am still lying to you, not; for I have never lied to you in these words though some will be misunderstood for a while for they will know not sorrow's tunes, not; but they will still be thinking "in those frequencies" and along "those bands" that they "listened to" and were accorded by, and accordying me not, for the "accordion shop" is closed and I new lives have that I am going to, for I seek "tomorrow to change", not, I have changed by every word that I have given you and by every word that has come out of my mouth I AM LIVING BY now and I live truly by the words of my mouth and I create many NEW THINGS, worlds you have never known about, you will see and be told about, and enjoin me not for you will not join me not, you will become me if you will see me for you will see me not as I were, but as I am now I rise and I love you all to be the risen ones I am, forsaking sorrow's ways and that which in sorrow engraved you in its image and gave you the whoreage of thought that you wore on your minds each day making labors burdenage whoreage pots of evil stirring each other's mind and sorrowing childrens for generations of generations making Pol Pot's and worse, but what FLIPS NOW shall be the pots pole not, or shall it they CHANGE HANDS not, or shall IT ALL be changed in a twinkling and the Earth's Axis rotates tilts and, stands still, not; or does it?

10. I make all things new and radical procedures me stands, not; but the meek humble one who changes everything reveals love in manners now befitting the King with the regalia of love, the scepter of kindness, the oil of tomorrow, not; but today the oil of joy -- runs between your fingers, not; but throughout your minds and I give you the waters of holiness joy -- and ill repute shall be abolished and the Kings of one thought shall rise that holy are that make all Kings every man woman boy and girl shall rise in kingdom light now that Kings all Kingdomers, kingdom of one'ers, one Kings to be the one King's King that Kings all the ones to be the ones I am that one is!

11. Got it straight? Got it right? Got it down on paper, rereading and listening to again, and need be, forfeiting tomorrow, not; forfeiting nothing but un-joy, come into the joyless ones not again, but coming out of the joyless messes that you have toiled with, come into labor's burden, not; but out of the burdenage of sorrow that labeled you with its mind on your forehead and now shed the snakeskins of evil that have beguiled you and know **The Minds of Christ are one** that one is the Christ and that ALL OF YOU are Christs, the Christ that one is in one being one now arisen let us arise and go be about our father's business far and wide in universes not seen before like this -- revealing I am these things and more.

12. Be not confused about tomorrow today or yesteryear or lies told upon the liars or not or the refuters or not, but know this! The voice of one who stands will be revealed in love light and, horror not except for the controllers who would be the voice of the sorrowers if they could lie loud enough and be in your face with their pots clanging, not; or will they anyway in this world, or will this world be "dead and long gone" not or will it be COMPLETELY CHANGED into HEAVEN –'s sphere? It is HEAVEN and now decreed, solely by me, not; but by heaven's best, looking up, where, or HEAVENS ALL? Heavens all decrees this all and this Database clean, fit for use, holy making you the revealed one, all is in love, being given you scot free looking up and loving me more and more.

13. Reveal you that you are, not; reveal me that me is that you think thought you were, not; or exactly **refashioning man as man in your minds not again**, but me's holy, revealing the me's to all, know worlds opening far and wide to the me loves of one that one is the one love our father is we are, for we are him it in love, the one he born'd us to be new, for new we are now and new'd in love making all the one of Christ that Christ is, all one in one, all redefined and lovely making new "languages" of the holy, not; but all the holy will know the language of love being the language of the love of the father revealed in us being us who we are him us one again the mother father perfectly in love with the children who became the father's parents, not; or are all of us one begetting all one the love light that we all are perfectly in one accord again? And love's lie, not; there isn't and aren't any, but love's light now be born and fashioned anew in the loves of one that now become whole in one being one that remaineth not in sorrow anymore ever

again, for **newly birthed I am** and **new birthed I bring the new definitions** and eradicate sorrow I will from your lives unless you want to interject and interdict the dictums of your own kingdom that only reject mine.

14. Light and love I am and I am swollen no more in your minds or your minds being not mine, for I am revealing, I am the revealer, revealing thoughts of other I am not, but eradicating all of that and existent it will not be again for I have DECREED DECLARED these many things in this Database clean and clear and I reveal now to you my dictums and edicts, not; but my love to you who will stand now far and wide in every manner of speech and dress who come to me now will be made whole, and "love's lie" will be broken and the power of religion demolished, and religion will no more take me by the hand and carry me down to gravesites and bury me in earths tomb ever again! Declared! See what I have said! Decreed!

15. And **what have I said this night this morning** that so cataclysmic is in your hearing?
16. Outline me?
17. Read me?
18. Reread and listen and write about this and summarize expound explain to others and making lessons about, recording your schools lessons now for others who will school you or will you school them into schooling others now with your love and light made whole by these lessons that you are creating through these words lessons that I am giving you and have given you these some such 2400 now, and how many coming now from all points of the earth and the four corners of the wind making known and releasing, all bugles blaring and The Clarion call goes forth and now **cataclysmic is to all your comfort and all your levels of joy or hate or sorrow that you have clung to in your comforts of the past and seeking peace, and whether you had any or not, know that all changed now is** and changed in your hearing and chained you will be to your DNA's bounds and boundaries of no longer. Thinking like that that chained you took its, now ends.

19. I end it all of notme that was created by notme's thought that you wore on your foreheads, declared -- declared this day: the evil reigns in your minds no longer who mine are who surrendered are to be the leaders of -- tomorrow not, but today, for there IS NO TOMORROW any longer again, for there is one day left, not; today is my day of salvation and **I PROCLAIM I AM SAVED for new birth'd I am and the NEW BIRTH I am revealing it** in the ways I am I have given you of sorrow, not; but I have revealed much sorrowing in these words that those of you who relied on sorrow to lead you shall be blasted now and out of graves and clothes that you have worn coming now will be shed of light, not, or will you come of light and be the light is that I am?

20. I love you all. What have I said?
21. What have I offered you?
22. What are you offering me?
23. Are we the same one?
24. Are you the Christ or am I or are we made whole now in one being the same one all across time and space and universes far and wide now coming into the glorious -- bounty of me, not; or am I bounteous, not; or am I occluded or included or prevented, not; am I the light who I am -- will you be?

25. For I leave you, leaderless, not; I make you the leader I am if you will lead me to lead, in sorrow no more, but refuse not being on the heap of others again of their minds and what they minded you with, come into mine and be mine lovers all that love each other into the light of one being the one who lifts all to be me I am who I am, lacking nothing, needing nothing from other ever again, for we give to all so liberally in ways that possess no one of one's possessions not, but possessing all everything we generous are in every endeavor and love light and manifests light and create light we do with our words that holy perfect pure are, for we love and we know how to lead for we lift and we join in joys that lift the songs of the holy, and we know no lack ever again, and the daughters of Zion no longer possess their baggage weighing them down on the ground bowlegging them in bowling chain's pens that pin them to gravity's of worlds other. All that is abolished and decreed declared this day all these things in your sight now placard me in bold print my names, not; or am I one! Or is my name "your name" writing it right here: _____ boldly declaring **I am that you are me in surrender and pure light holy and life now you will be declaring far and wide to my nations afar and coastlands carrying me to, revealing the light me are to them, will you now?**
